### ALUMNI MEETINGS IN PROGRESS

The series of alumni meetings planned by R. R. Ehrhart, Alumni Secretary, are now in progress with a great deal of enthusiasm and interest being shown.

Tuesday, October 20 the Cleveland Alumni met in the Dutch room at Mills Restaurant on Euclid Avenue. Earl R. Hoover, '26 acted as toastmaster. Twenty-one alumni were present, among them being Mrs. Geo. Mowry of the class of 1877. The entire group entered very enthusiastically into the discussion of the "Five-Year-Program" of advancement and rehabilitation as suggested by the Board of Trustees.

Wednesday, October 21, the alumni secretary journeyed to Canton where he met with the Canton group in the Y. M. C. A. Mrs. Catherine Myers, '26, president of the Canton Otterbein Woman's Club presided. Thirty-two alumni were present. Musical selections were furnished by Wendell Williams, '29, accompanied by Miss Grace Seneff, ex-'30, and La Veere Breden, '30, accompanied by Miss Margaret Miller, '31.

### A CHALLENGE TO ALUMNI

At the June meeting of the Board of Trustees a progressive measure was proposed in the authorizing of a five year plan of advance for the college. The details of this program are being developed by the Executive Committee with the addition of six members of the faculty and trustees.

They conceive of the plan as being three-fold in its nature: (1) Educational, (2) Spiritual and Social, and (3) Physical and Financial. The first and second emphases will be referred largely to the faculty for development. Some steps have already been taken toward change of curriculum and improvement of teaching. A number of new professors have been added to the Faculty—all of them young men and women who bring with them the enthusiasm and ardor of youth plus high-grade scholarship and a reasonable amount of experience.

There are certain much needed improvements on the college campus. The library should be enlarged or rebuilt. The athletic grounds need improvements. and a stadium suitable to the needs of the college is contemplated. A restoration of the shrinkage and losses in finances, particularly in endowment is under consideration. A fund should be set aside for professors' retirement.

The trustees authorized the promotion of an appeal to alumni and other friends for at least \$250,000 to cover these various items. The chief inspiration of the entire financial movement

## ALUMNI DUES

Alumni dues for the year 1936-37 are due and the Alumni office would appreciate receiving the dues as soon as possible.

If it is not convenient to pay \$2.00 at once send \$1.00 now and another dollar later on.

Perhaps you would like to receive the Tan and Cardinal this year. If so just add \$1.50 to your alumni dues and we will be glad to have your name placed on the T. and C. mailing list.

We are hoping that a larger number of alumni will realize the importance of paying their dues. The response last year was not as good as it should have been and ought to be a lot better this year.

Don't put it off. Write a check out now and mail it to R. R. Ehrhart, Alumni Secretary, Otterbein College, Westerville, Ohio.

at South High. Mr. Ristich is a fine accordionist and his music was enjoyed by all.

## HOMECOMING HUGH SUCCESS

In spite of the inclement weather the Homecoming this year was one of the best ever held. From the beginning of the celebration, Friday evening, with the pep rally in the chapel, until the last grad left the campus late Sunday, the old college spirit and enthusiasm was prevalent everywhere.

Saturday morning a large group of alumni, students and faculty attended the coronation of the Homecoming Queen, Miss Doris Ann Brinkman. She was presented the football by Miss Gladys McFeely, last year's queen. A humorous style show was presented by a group of Freshmen boys. Last minute enthusiasm was brought forth by some cheering before the group was dismissed.

The afternoon activities commenced with a parade of floats led by the queen and her attendants in a new Packard car furnished by Packard Columbus, Inc. Other floats in the parade were sponsored by the various social groups on the campus. Sigma Delta Phi was awarded the prize for the best decorated float and Pi Kappa Phi for the cleverest fraternity house decorations.

Even though the football team lost the game to Ashland 6-0, the boys were in there fighting and played hard right down to the end.

The all-campus-alumni banquet, a new feature this year, was attended by more students and alumni than anyone had even dared to imagine and a number had to be turned away because of lack of space. We promise that this will not happen again. Plenty space will be provided next time.

The play "Double-Door" presented by the Juniors in the Alumni Gym was a tremendous success. The play throughout had the earmarks of "professionals" rather than amateurs. Prof. J. F. Smith deserves a lot of commendation.

It was a great Homecoming. If you were not here you missed a wonderful time. May we have more like it.

## A CHALLENGE TO ALUMNI

(Continued From Page One.)

is the challenge made by Mr. and Mrs. F. O. Clements in their gift of securities valued at \$17,000 toward the cancellation of the gymnasium indebtedness. Other gifts have been made and are pending. The indebtedness on the gymnasium is approximately \$61,000. There are unpaid pledges from the original campaign, totaling \$31,000. Otterbein College cannot afford to leave the generous challenge of Mr. and Mrs. Clements go unmet. The time and method of procedure will be determined at a later meeting of the central committee.
